

“IF MY PEOPLE”

"If my people, who bear my name, will humble themselves, pray, seek my face and turn from this their evil ways, I will hear from heaven, forgive their sin and heal their land." 2 Chron. 7:14

For many centuries we have heard this scripture quoted and read it, thinking that we knew and understood its application. We held many prayer meetings and prayer breakfasts using this text as a theme of expression. However, in this last day, the reality of its meaning has arrived. First allow me to say this. The phrasing of this text is not just a Spiritual allegory. It is directed to a people. YAHWEH has a people and they are connected to Him by and through His name. His people also know His name. Yes, the Father has a name and it is not God. Once man comes to that realization, the rest becomes easy.

Since the text says, my people who bear my name. What name might that be? Is that name God? No, that is not his name. Mankind has been taught to call Him that by idolaters. Come on. Let's think it through and not be lazy. YAHWEH asks a question in Proverbs 30:4, *"Who has gone up to heaven and come down? Who has cupped the wind in the palms of his hands? Who has wrapped up the waters in his cloak? Who established all the ends of the earth? **What is his name, and what is his son's name? Surely you know!"***

Okay! Does He ask a question that He believes we should know the answer to? Yes. But we don't. See, here's the problem. His people, who were called by His name, knew the answer. Because of identity theft brought about by the Ashkenazi Jews, the Fathers of Reform along with the Hebrews' time in captivity, and the Transatlantic Slave trade, the Father and His Son's name have been lost to us and replaced by names associated with idolatry. I'm really sorry but His name is not God nor is His Son's name Jesus. Both of the names God and Jesus are associated with Babylonian or Greek gods and their idolatry.

We are in a period of Restoration and Prophetic fruition. That is, Scriptural Prophets who have prophesied, not people of today, who call themselves prophets. The Prophets have stated by the Word of Yah that YAHWEH would restore His people and return them back to Him and into the land from all the places where they were dispersed. Until now, many of us didn't even know who those people were. Today we know who this people are. It is imperative that someone begin to proclaim the message of restoration to the people from the Father which says "if my people who are called by my name" start hearing, believing and turning from the wickedness of idolatry.

While many people may not believe that ethnicity or color matter, trust the fact that in the Father's mind, it matters. Scripture continues to make a point of it and we just keep skipping it as though it's not there. In some ways, we are fearful that we might insult other peoples. Dear ones, Yisra'el is not only spiritual but also a people of color. It is time that we come to this truth and begin to proclaim it. Not for the right to brag, but because the Father's blessings are associated with a people that are His, who through them all the nations are blessed. This is truth. It is no longer a secret. Remember "Truth Matters" or one man's truth is another man's heresy. What I am writing to you in this subject matter is the truth of Yah recorded in Scripture and History.

Okay, let me cut to the chase. History, science and Scripture support that Father Avraham, Yitschak and Ya'akov were all people of color. The discredit of their offspring is attributed to the words expressed in D'varim (Deut.) 28:15-69. Read it and then take an assessment. Out of all of humanity on the earth, "The So called Negro" is the only group of humanity that this description fits. He came from a land Africa and was sold into slavery by his brother Yehudah

(Jews). He was brought to this America on slave ships singing and crying out to the only Creator that he knew in a song asking his YAH for help "Kum ba Yah." "If my people who bear my name." They knew YAH's name. In Psalms 68:4 which reads: *Sing to YAHWEH, sing praises to his name; extol him who rides on the clouds by his name, Yah; and be glad in his presence.* These were Hebrew sons of Yisra'el who in America and the world are now known as the Negroes or Africans. Yes, people of color. If you ask the people who call themselves Yehudim (Jews) about the 10 lost tribes, they don't even want to talk about them. Why? I believe it is because they don't want the world to know that they are the true sons of Yisra'el according to Scripture and History and not themselves.

Before you criticize this blog, you might want to read some of the authors like Aylmer Von Fleischer who wrote *The Black Role In The Bible* and *The Black Hebrew and the Black Christ*; Janice Winton who wrote *Go Tell My People Who They Are!*; and "*The Call*" *To The Hebrews* by Eveo Gamesu Mawuli. Each one of these authors validates what History and the Scriptures proclaim.

"Truth Matters."
